THE FIRST MORNING AT CAMP

The first morning at camp, we did some games, then we worked on Ancient Egypt in civilization class. We learned how to write with hieroglyphs : little symbols that Egyptians used to write. Between the 2 classes, we had a sort of recess. We did a race with some other kids. It was FUN! Later on, we went into our language classes and we mostly played games! It was an awesome morning.

Gregory Lemarchal (my favorite singer)

Just two month after the birth, his parents told him that he had a serious disease « The mucovisidose ». But at the age of ten, he decided to fight his disease. He loved singing. And in 1998, he participated to « graine de star » a famous tv show for young stars. But he lost in semi-final. He decided to continue singing . In 2004, he participated to the « Star academy » and he won it . He made an album in 2005 (Je deviens moi), he won award at the NRJ music award. In 2006, he begun his music tour in France. He finished it in the Olympia a famous french stage.

In 2007, he sang his last with Helene Segara.

But the 30th Avril, he died at the age of 23 two weeks before his birthday.

L'équitation :

A l'équitation, pour commencer, la dame qui s'occupe des chevaux nous a emmené vers 2 chevaux et on les a brossé. Puis, je suis allé sur un petit poney et on a commencé par le manège pendant 30 minutes. Ensuite nous avons fait une ballade et on est revenu.

QUELQUES BLAGUES/ SOME JOKES :

Dans la jungle, un lion dit : « celui qui dit une mauvaise blague, je le mange ».

Un singe raconte une blague et tout le monde rigole sauf la tortue.

Une girafe raconte une blague et tout le monde rigole sauf la tortue.

Un rhinocéros raconte une blague mais personne ne rigole sauf la tortue.

Tout les animaux lui demandent : « pourquoi rigoles-tu? ». Elle répond : « parce que je viens juste de comprendre la première blague. »

Why do the Lepe people make their house round?

So that the dogs do not pee on the corner.

« Parce que je viens de comprendre la première blague »
